

Chinese Language and Culture Course for Adults

By IBA Confucius Institute in Sønderborg

Level: Beginner 1

Target group:

The course is for people who have no or little prior knowledge of the Chinese language.

Course description:

The course is designed to provide an introduction to basic Chinese with an emphasis on developing listening and speaking skills. Through exercises in the Chinese phonetic system, simple conversations, basic vocabulary and sentence patterns, this course provides a foundation to engage in simple conversations. After the course, students are able to attend the Chinese proficiency test HSK 1 (Hanyu Shuiping Kaoshi).

Course aims:

As a beginner you will learn to read and write a number of Chinese characters. You will also be introduced to elementary Chinese grammar rules and the Pinyin Romanization system in which Chinese is written with Roman characters. Furthermore, you will learn to use Pinyin Chinese-English dictionaries.

Course contents:

- Chinese Pinyin
- 150 common Chinese characters
- Simple topics related with family, personal and everyday life
- Pronunciation exercises
- Basic Chinese grammar
- Related Chinese Cultural Knowledge

Course literature:

The course is based on the textbook "Standard Course HSK1" and "New Practical Chinese Reader" Vol.1.
